Jade is a tallish blonde with a nice figure not skinny and not plump aged about 30.

The Story:

Having phoned in advance to find out what services and which girls were on.I arrived to find Jade was available,I have the feeling they do not like you waiting for you to make your own choice,no cuppa offered.As it happened Jade had been on my shortlist because she does OWOTC.So into the room where Jade gave a nice massage with little kisses on my back before turning me over and me asking about the oral to completion.She then started to give some nice oral but stopped a bit early and started wanking me and talking dirty.Eventually I wanked into her mouth.It would be unfair not to recommend Jade though as you have to take into consideration price paid and service provided plus if had been more assertive I could have had other services which are included.
