### The Premises:

The place was decent enough, used the upstairs room which the one I used on my only previous visit. It has a jacuzzi which I didn't use this time. The choice if girls wasn't good with a plump looking black girl being my alternative. Sat in lounge area introduced to the girls. Decided to go for Natasha as I wanted a slim girl.

### The Lady:

quite tall, medium length brown hair, small breasts which were not firm, other than that in decent shape physically. Facially she was not attractive. It would be fair to say I am possibly not the average punter and many times have I read FR's which dictate the girl to be gorgeous, when upon meeting I have a completely different opinion! Nevertheless this girl would not catch yopur eye in a pub, I don't care who you are.

### The Story:

Having been so blunt about her looks I should say she was very personable and seemed friendly enough making polite conversation. However as soon as she walked in the room I knew I should have kept my hard earned cash in my pocket! Average massage after which she jumped into 69 without asking and I had the not very pleasant smell of her arse in my face. After a few minutes of a covered BJ which was ok, she then positioned herself on top facing away (a good thing!) and a few minutes later I managed to come... couldn't get away quick enough. It is really my own fault for not going somewhere where by internet pictures & FR's I could have got good value but still horribly disappointing.
