The Premises:

Fab apartment in a very nice area. Clean (& looked spacious even though I only saw the bedroom!). Shower available for before and/or after.

The Lady:

Both were very attractive (see website for details) and had lovely skin. Both were very clean, attentive and energetic.

The Story:

I'm not the world's most experienced punter and I haven't posted before but these girls have prompted me to do so, although in a way I guess I wish I could keep them my secret :)

I won't go into details, you can get a very clear idea of what's on offer at the website but the service was the best I've ever had (very GFE); completely unhurried, *extremely* satisfying and Sissi in particular definitely knew which buttons to push to give me one of the most intense ejaculations I've ever had...

It was a great experience, one that I would like to do again when I can put the money aside, and one that I would certainly recommend.

Be nice to these (as any other) girls and I'm sure they will re-pay the compliment.
