The Premises:

I was on a weekend trip to Leicester, so I'm not familiar with the area. But with a City Centre Map, it's incredibly easy to find and opposite the NCP car park. A very pleasant welcome, with a nice reception area. The admission is ?10. I think I had the worst room, as Maria apologised as it was my first time there, and told me the others were bigger and better. Surprisingly, other guys as well as me were feeling horny on a Sunday morning, and the other two were occupied. However, it was clean and warm.

The Lady:

Maria was around the 30 mark I would guess. Slim, small breasts with long black hair and a dark tan (she told me later she was half Spanish). She was pretty, and looked much better out of her clothes as I can't say the lacy maids uniform really suited her.

The Story:

Maria was a really nice person. She was talkative, and asked lots of questions - all I feel with the aim of making you feel at ease. However, she was doing that anyway with a really good massage - all around my back and legs, but not neglecting my bum and balls which was very pleasant. A little while after turning over, she went through what almost seems a quaint routine of asking if I wanted extras. ?20 was hnad relief, ?30 sex or oral, ?40 both, and ?50 reverse oral and body to body. I went for the ?40 option. Maria rubbed against me for a little while, and then performed the oral which she was good at. Then I went on top. She was quite tight, so I didn't last that long, but it was still a lovely experience. She has really nice breasts which I sucked while thrusting, and I couldn't resist asking for another suck afterwards. Maria was lovely. This was a random punt, after my Saturday night in Leicester, as I got the number from Yellow Pages. But I've just read some other reports on The Executive Suite, and it seems it's a really good place, which I would like to return to if I can sometime in the future.
