Sandys is as well presented as usual...

The Lady:

Slender, well toned, coffee coloured skin like velvet, attractive face with beautiful long curly dark hair. Small firm breasts, trimmed/shaven pussy with neat shape and clean, sweet taste..

The Story:

Leah was friendly and straightforward... she provided a very sexy erotic 45mins, no hurry... Leah doesn't do anal apparently but likes her bottom stroked and loves to be licked.... She also doesn't kiss with tongues unlike most Sandy's girls but still manages to be erotically intimate... she will kiss very sexily without tongues... After a massage, a cuddle, some reverse oral and sex in a couple of positions, Leah brought me off with her hands in a very unhurried and sensual way... Only downside? The moaning was a bit fake to start with which was offputting, so quieten down Leah, relax and enjoy.... Soft sexy breathing is more effective than loud moans!! I'd love to see her again because she was good friendly company as well as ensuring that I received exactly what I wanted....
