The Premises:

Ambassador is clean with good facilities. It's pretty indiscreet in that it's on a main road in the centre of Edinburgh but nobody gives a f*** so it's no problem.

The Lady:

Ive had my best and worst punts here so punters beware. The best was with Tia, a great local girl with great tits and body - if you like a girl with something to grab hold of, which I positively do! The worst punt was with a Turkish girl whose attitude was quite unbelievable (read on for why)

The Story:

The punt with Tia was my first ever and she was sensational. Great body if you like them slightly meaty, and great (pierced) tits. The massage was ok and Tia was gently conversational. Then it was over onto oral which was very good. Then sex like a madman. I had one of those days when I just couldn't cum and I kept going for ages in mish, then doggy, then cowgirl, then mish again and so on. Tia's face is one I'll never forget and if she was fakin' it she deserves an oscar! Finally shot my bolt in doggy position and boy did I ache the next day. My only criticism is that Tia began to suggest that the management would be clockwatching and was i nearly done. Despite this she did make very effort to help me along and it proved very worthwhile in the end!! On the other hand the Turkish girl was asking after no more than 5-7 mins if i was nearly done and she made it quite clear that she was not going to help me along for much longer. This was another occasion when i simply could not cum - and DID NOT cum throughout the session. We did try most things - more oral, then more sex, then wanking and then she just gave up and left. Her attitude throughout probably kept me from cumming - in the same circumstances Tia would have no trouble - and I was probably with her for no more than 15-20 mins maximum. I complained to the desk afterwards but the lady there was not interested. OK it was late on saturday night and it was busy but that is no excuse. Would try Ambassador again to see if it was a one-off - I dont think Tia works there anymore. Consistency of the girls is not the best.
