The Lady:

Russian girl with long dark hair, petite with curvy firm figure. Has very sexy accent.

The Story:

Hannah came into the room just as I had my shower - nice timing. She was chatty and open to suggestion asked me what were my preferences if any. Started with the oral - she gave slow sexy BJ - shot my load to quickly. Not her fault !!!!

Second helpings included the usual mish, doggy, her on top, all excellent, she has brilliant control, good eye contact. The best was saved for last - for an extra ?20 she offered me anal - in for a penny in for a pound I went for it - what a PLEASURE - she has one of the tightest little butts and I would imagine a very large cock wouldnt fit. Im average size and it felt like i died and gone to heaven. Definately value for money and definately worth visiting her again. The accent alone is a turn on.
