The Premises:

Typical run down east end flat, probably not seen a lick of paint since the Queen's coronation, no yellow lines outside, seems safe enough during the day.

The Lady:

Very slim girl, long dark hair, quite pretty with an all over tan, described by the maid as 19 years old, maybe true, certainly young looking.

The Story:

Collette is just the build that I like, very slim, not unlike Crystal of Ilford. Started with a little massage, she was happy to pay attention to the area around my balls. Then on to oral (with), plenty of eye contact. Finished with sex in doggy position, surprisingly tight, big mirror to watch the action. OWO is on offer as an extra but no CIM. All in all not bad value for money, I would imagine she would look good in a schoolgirl uniform.
