The Premises:

Pleasant Premier Lodge near Leicester. Clean and comfortable without being luxurious.

The Lady:

Very pretty, light brown skinned Indian young lady. 5'3" Slim but curvaceous and with a lovely warm smile that really lights up her face.

The Story:

Riyana turned up bang on time and elegantly dressed as I had requested since we were having dinner in a good restaurant nearby. She greeted me with a smile and a kiss and we were soon on our way to dinner. She is entirely at her ease in a good restaurant and I enjoyed the envious looks of the men at the tables around me as well as the puzzled stares of those who were trying to work it out!

Back to the hotel after dinner by which time we were well warmed up and ready for some action. She is a lovely kisser and we soon started to undress each other. Although quite new to escorting, Riyana is clearly not only comfortable with her new career but thoroughly enjoying herself. She was soon into a really memorable BBBJ at which she shows great expertise, followed long slow sex in a variety of positions. I don't know how long we might have kept up the activities as, at my age, some sleep and recovery time are needed, but she seemed to have plenty of energy. She was certainly up for another session in the morning after which we enjoyed breakfast together before she departed.

This girl seems to me to be a brilliant addition to the Leicester area's talent. I suspect that she is particularly good at the longer bookings and overnights though I see that she does also do shorter ones.
