The Premises:

Celina meets gentlemen friends at her cottage in Wetherby. It is a discrete terrace house (no neon signs - unlike a sauna or massage parlour). There is ample, safe parking just a few yards up the road. This part of Wetherby is usually safe and quiet. As usualy, I called on arrival to confirm my appointment and was invited along (Celina never has more than one friend in her house at a time). I was met at the door by Celina's receptionist, shown through to the lounge and offered refreshments. Celina's cottage is clean, tidy, bright and airy.

The Lady:

Celina started life at Pussycat's (Bradford) before moving to Models Inc. (Burley, Leeds) and finally to Wetherby. Celina's web site provides an accurate description: 5'7" (stocking feet), huge blue eyes, masses of dark blonde hair, a perfect hour-glass figure complete with firm 36DD boobs and a big, curvy bum. Celina is (almost) completely shaven. Celina has a very comprehensive wardrobe ranging from luxurious lace underwear to thigh-high black PVC boots. The pictures on the web site are recent but do not convey what an absolute stunner Celina really is. True to her web site, Celina has a very sultry manner and is extremely enthusiastic about her work.

The Story:

I consider myself a friend of Celina's and have visited on numerous occasions (I have not yet persuaded her to elope with me)! She is a fantastic lady to spend time with and I never tire of her company. Celina's bedroom is adorned with candles but the centre piece has to be the clean, king-size bed and oyster-shell arrangement of towels. There is always some romantic or rythmic tune playing in the background. Unlike some, Celina knows how to give a first-class (unhurried) massage. She also knows how to flirt and tease. But when it comes to sex, Celina is No. 1 - probably because she thoroughly enjoys her work. Spending time with Celina might seem expensive compared with 30 minutes down the local seedy massage parlour. But like anything else in life, you get what you pay for! If you appreciate the finer things in life, make a point of visiting Celina. One last thing, Celina likes: dry white wine, oral and big cocks! Definitely no puny, ginger Scotsmen who smell of wee!
