The Story:

I'm writing this report not so much to recommend Tara (she has enough excellent field reports without needing mine) The report is more for my benefit, so that I can remember more fully a wonderful time spent with a special lady.

Tara and I had exchanged e mails over a period of a few weeks before we met. She has a very sexy turn of phrase and is very direct about what sexually turns her on. I used to look forward to her posts immensely.

Tara arrived on time and breezed into the room, we exchanged an affectionate kiss, whereupon I sensed she was quite nervous (as I was). This along with her sophisticated sexuality really turned me on. It reminded me of my dating days and how nervous I used to get before meeting a new girlfriend. Tara had also thoughtfully brought a bottle of wine, which we proceeded to drink.

Tara oozes sex appeal. I found I couldn't keep my hands from carressing her neck and shoulders as we spoke. Before long my hand found its way down to her thighs and up her legs, Tara slowly uncrossed her legs as I massaged her pussy through her panties. she responded by pushing her hips against my hand as I peeled her panties back and slipped my fingers inside her, she was already very moist and eased her legs apart inviting me to push deeper. Her pussy felt so warm and inviting and got more and more lubricated as my fingers explored her.

All this time we were locked in a passionate embrace, our tongues exploring each others mouths. Tara now started to undo my buttons and we fumbled like two teenagers to rid ourselves of our clothes. She undid my trousers and wrapped her fingers around my now bulging erection. We were

both getting seriously turned on by now so decided to remove all the clothes and move to the bed.

By now I wanted to explore Tara's naked body, so she lay back and I started to kiss and lick her all over. She has wonderfully natural breasts with nipples that responded to the touch, before long I found my way up her thighs again and sank my tongue into her sweet essence. She tasted sooo good, and was by now soaking wet. It wasn't very long before she cried out and an orgasm rippled through her body.

She now pushed me back and started to work on me. It was clear to me immediately that this was a labour of love to Tara, she certainly knew what she was doing. Before long she brought me to the edge, immediately she sensed this and backed off a little, however over the next 10 mins managed to bring me to the edge several times again.

It was now time for the main course and Tara slipped on the condom:(and sat on top of me, and rhythmically moved herself up and down on me, my hands found her breasts and the temperature started rising. We then tried her favorite doggy position before I turned her over into a miss position. By now we were both close to coming, I held on for just long enough and exploded inside her. I flopped exhausted beside her.

Time for another glass of wine and a chat, but again I couldn't keep my hands from caressing her beautiful body. Running my hand over her breasts, tummy and thighs. After about 10-15 mins I felt a stirring down below that told me it was that time again and it was on to round two!

I was by now desperate to taste her again so it was into a 69. I parted her juicy pussy lips and sank my tongue into her. Immediately she bucked her hips as I found the right spots. Tara was having just as much success on me and quickly brought me to the edge again. Suddenly she started moaning, widened her legs even further and shook with another orgasm. This turned me on so much a few seconds later I exploded again.

Tara knew from our e mails that I was very keen for this to be a GFE, she certainly made me feel that she wanted to be there and enjoyed the experience as much as I did. We went over our 2 hrs by quite a lot, but I never got the impression that she was even aware of the time.

A wonderful experience - I'll be back!!
