The Story:

This was the zillionth time I have seen Charlotte and the second time that she has asked me to write an FR for her. The PN cogniscenti will know that Charlotte has more FRs than most, and, to be honest, it is beyond me why she feels she needs more. However, 'ours not to reason why...', so here goes.

As usual we started with a drink and a chat. This time Charlotte was wearing her black cocktail (cockteasing) dress, so, as we sat together on her sofa, it didn't take too long before the drinks were forgotten and we moved to the bedroom, stopping en route only to ask my opinion of her latest lingerie purchase. This led to a prolonged and very pleasurable, two way snogging and exploration session, to oral, and to a very satisfying shag for both of us. After we had both come, we lay back side by side, but with our legs and arms still intertwined and our organs still engaged, and talked about anything and everything for about 15 minutes. I mention this because, with Charlotte, IMHO, both pre- and post- coital pleasures are exceptional. As you might imagine, we were soon ready to start again, this time seeing how many positions we could squeeze into our time! Altogether, a fun time.....for both of us I believe. And if you think, I'm kidding just take a look at the other 50 or so FRs she has..they all tell the same story!!!

I consider Charlotte to be my favorite Birmingham WG. Apart from her looks, her secret is that she is always happy and relaxed and genuinely seems to enjoy what she does. She is greta company and 100% discrete. Amazingly, Charlotte doesn't use a computer, so she doesn't have a webpage and she doesn't read PN (maybe this is why she is happy?). Some months ago we did an overnight in London, and, after dinner I took her to an internet cafe to show her that she was 8th in the FR league table: it was worth it to see the look on her face! It's an odd thought, but this lady has turned her back on the silicon chip....but she uses silicon with devastating effectiveness elsewhere.
