Wow! What a fantastic night.

I first met Tara last July (see FR 21793) for a 3 hour appointment. It was not enough. I knew I had to see this lady for a full overnight, which we have been planning ever since. It would have been much sooner if my alibi opportunities were not so few and far between.

I had decided to book somewhere a bit special for a night with this very special lady and plumped for the hotel used by 4thand10 for his threesome (FR21578) which was excellent.

Tara arrived on time and I went out to the car park to guide her in. No woman should be expected to find her way round this labyrinthine place. After freshening up we were soon on our way to the dining room where we selected our meal over the first bottle of wine. Tara was looking stunning in an elegant, but eye-catchingly low cut, little black cocktail dress. The conversation flowed effortlessly and ranged far and wide. After an enjoyable and leisurely dinner we headed back to our room where a bottle of champagne awaited us on the edge of the bath, a vaste double sized one at the foot of the bed. This hotel is definitely designed for lovers rather than spouses!

After that it?s all a bit of a blur. This does seem to be a problem with this lady. I see others have

complained that the night becomes a blur! I do remember tearing each others' clothes off. I remember lots of fantastic sex. I remember spending over an hour together in the bath sipping Champagne. I remember being on the receiving end of really great oral (without) and tremendous responsiveness on her part to my own oral efforts. I remember sex in lots of different positions and I have enough recollection to know that she made me come 5 times! Three times before we finally got some sleep around 4.30 a.m. and twice more in the morning. We missed breakfast but you can't have everything and which of you would have chosen breakfast in place of one last bout with this lovely woman.

I have seen several girls allege that they escort for the sex first and foremost and that the money is secondary. With Tara I'm absolutely convinced it is true.

All you guys who think that no woman is worth more than £100, tie a knot in it for a few weeks and blow it all on one fantastic overnight with Tara. I guarantee you will change your mind.

Tara on Trouncer

After a very stressful week all my worries disappeared out of the window when I met Trouncer. He's like a breath of fresh air, and you instantly feel very relaxed in his company. The hotel room was just breath taking and I couldn't wait for us to get in that big bath at the end of the bed, and the bed too ;-). But, being a lady I behaved myself and off we went to dinner. Anyway, dinner over and feeling very horny it was back to the room ;-). At this point our clothes went flying all ways and sex in various positions followed along with lots of mind-blowing oral. After a long soak in the bath more sex followed and then the next thing we knew it was 4.30am! All I can say is this man has an amazing amount of stamina because at 8am we were at it again. Trouncer is the perfect gentleman in more ways than one, and I have always wanted to spend a night in this particular hotel, which Trouncer knew. I appreciate the room we stayed in was very expensive and because of this it made me feel very 'special'. Thank you Trouncer for such a wonderful night xxx
