The Premises:

Debbie?s has been described in a number of previous reports. Located very near Anerley station with the front entrance on the main road. The place is actually a basement but is well clean and very welcoming.

The Lady:

The one and only legendary Debbie! What can I say that others haven?t already said? Debbie is? quite simply amazing! See the pictures of her website or even better?. see her for yourselves.

The Story:

Why oh why oh why have I only see Debbs just once before and why has it taken me so long to see Debbs again?

I arrived at Debbie?s on time, and was shown into the room by the charming Pat (the maid for that day). I was kept waiting for about 3-4 mins before Debbie came into the room and she recognised by instantly, which is always a good sign. Debbie greeted me with a smile and a kiss. We sorted out the financial transaction before deciding on what to do. Shower or uniform session? Shower or uniform? Well as Debbie just excels in role-play I went for the uniform session and let Debbie pick whichever uniform she wanted. She picked the nurses uniform though she does have a number of others and has just started one as a police woman (which I have heard a number of stories about). Debbie had me erect from the moment she walked though the door. Needless to say, this was a very enjoyable session with mild kissing and lots of cuddling. I cannot rate Debbie or the place highly enough as every time I?ve been here, each session seems to be better then the last. After I was invited to stay awhile?. and for about 2-3 for so minutes, had to be kept hidden for a bit in the toilet with two other guys who were it seemed were in there for much longer!!!!

In all, the five of us, Debbie, Pat, the other 2 guys and myself were chitchatting away for a while before I made my leave.
