The Story:

Most punters go on about the sex. I will keep this brief and say that I had sex twice, and oral (with). Also enjoyed the oral given to Helen. She did not french kiss. Nice trimmed pussy. I also enjoy the company of women. When I arrived, Helen gave me some Russian vegetable soup and wine. During my rest periods she offered me some Belgium chocolates, which I declined (can't think why now!) We also talked about general matters, and her home in Russia. There was a picture of her small daughter on the wall. When it was time to go I zipped her dress up! Helen said she was off to the pub.
