### The Premises:

A very nice clean flat ,about five minates from the city centre. There are two car parks to chose from and is a very safe area.

### The Lady:

Ive been to see Mel a few times now and when i first set eyes on her I was totally knocked back at her looks and aperance. Im not very good at measurments but its the old story of her pictures on her site not doing her any justice.

### The Story:

On my first visit with Mel I was more then a little nervouse, but she very soon puts you at ease. After a chat in the front room its off for a shower then into the bedroom, if your not sure what you like dont worry as Mel always knows when to take the lead. Sex with this girl is simply the best and a must for all you guys reading this. The effort she puts in to her dates is endless.
