The Lady:

Anna is a very attractive young blond who is slim with a figure to match. Exactly like the pictures on her web site, but alot better in the flesh.

The Story:

Visited Anna based on the recommendations from her previous FR and was not dissapointed. After a chat to get to know each other it was down to the enjoyable bit. Great oral to Start with CIM , followed by me returning the favour, now thats the part I really enjoyed and by the way she was responding so did Anna. Once I had recovered my strength it was down to some great sex in a variety of positions , this is a great way to lose a little bit of those excess pounds.
