### The Premises:

See previous field reports for a fuller description, but Aquarius is a very nice place, easy to get to, though the parking behind the Turf pub is a bit small if more than one or two punters are around. Parking on adjacent side streets is good alternative.

### The Lady:

Sam is a really good-looking blonde lass with a nice slim figure, firm natural breasts with beautiful responsive nipples and a semi shaved beautifully neat receptive fanny. Again Aquarius have a super star on their books!

### The Story:

My second visit to Aquarius, I had hoped to meet Cameron, but she wasn't on when I phoned, however the receptionist described Sam and she seemed to be a perfect alternative. When I arrived she was busy, so I booked her for half six and went off for a wander around.

When I returned, she had almost finished with the previous client so I waited in the small lounge, had a cup of tea and watched telly. Sam came dashing out during this time with only a brief towel on, and I thought very nice ? right choice! I have really taken to the Jacuzzi room and had booked this, it's really good value and definitely conducive to passionate loving. Sam had run the water for me and joined me for a nice soak, snog and cuddle, this was followed by an excellent massage on the bed. I returned the favour by kissing and massaging her beautifully honey sweet pussy and finished with an erotic hard shag. Altogether another fabulous experience with a beautiful lady, I really am getting spoilt for choice!
