The Premises:

The usual standard at Sandy's, very well kept place with gorgeous receptionists! Very discreet entrance on main road.

The Lady:

Leah was totally gorgeous, very sexy, golden brown (could be to do with her origins!!) Pert breasts, and a backside to die for!! Shaven as well!!

The Story:

Started off with a very nice massage and chatting about the day for about 5 mins, she then asked if would like oral. Slipped on the cover and asked if she wanted some oral too! What a fantastic pussy she has, very sweet tasting, she got on top and started to work on me as I was licking her, after about 10 minutes of this I decided I could wait no longer so, we started of in the doggie with a wonderful view of her backside followed by mish, What a great S**g!!

Finished of with me blowing my load all over her tits and stomach!!

Why this girl is not a superstar I don't know!! You were fantastic Leah, I will be back soon for more! Would be nice if she did a two girl with Mia!!

Treat her with respect guys!!!
