The Story:

Thought I be the 1st to write this lady, as she should deserve a lot of credit for the good service she provide.

Surprised that she's not received any FR's as she stated to me that she's been working in this establishment for a few months and has a few regulars yet no one has submitted any fr's.

Saw her pic on the web & got to say that she looks much prettier & sexier in real life.

Wouldn't go too much at what happened between us but she's very friendly to chat to & felt completely at ease with her company where she first gave me a back rub then we kissed & had a good played around with each other & she is worth every minute of her company.

Wasn't really sure at submitted this fr as really wanted to keep her a secret so that she could always be available for me with no need to wait but felt guilty as she is 1 of the best girl's I've met in a massage parlour & deserve a lot of credit.
