### The Story:

This was my very first ever visit to an escort servive when Nina found this out she was very supportive, after a coffee she took the lead and invited me to kiss and suck her lovely breasts, I said that I would like lessons on how to eat pussy which she expertly instructed me, after about ten mins we moved onto a covered bj when I was good and hard she mounted me. If you are thinking of a first ever vist Nina is your lady, thankyou Nina
