### The Premises:

From an accomodation point of view, this place is very good. It is spacious and clean and there are 2 entrances, one in Lothian Road and a much more discreet entrance off Bread St. The Lothian Rd entrance is very safe as it is a busy road and the back entrance is less so as it is much more private - but no real worries. I was visiting Edinburgh and this was the nearest place - from a VFM point of view or selection of ladies or the services they offer, it is well below the standards of the better Edinburgh places. But it was an awful night and it was close!

### The Lady:

Amanda is German but of Spanish parentage. She is about 5'5, size 10 with red hair. Smallish breasts - guess 34B. She has piercings on both of her nipples and a long rose tattoo on one of her legs. You may like this but it is not my cup of tea - all revealed too late when the clothes come off. She certainly was very attractive in the waiting room with a sheer dress accentuating her figure.

### The Story:

Was OK. Her accent gave a certain clipped feel to the encounter but she was a friendly if slightly business like girl. We had kissing but this seemed to be somewhat held back; oral with and sex as usual. OK but a forgettable experience. Expensive too: ?20 at the door and ?70 to Amanda for 45 minutes; too dear compared to other better places in Edinburgh.
