The Lady:

Tara is far more beautiful than her limited pictures show. She arrived looking elegant in a lovely black dress and, as requested, black stockings and high heels

The Story:

I will not go into specific details other than to say from the first moment we made eye contact she made me feel at ease. She is very easy to talk to, very easy to approach and very easy to 'fall for'. Nothing on her web site does her justice and she really seemed to enjoy the attention I paid her both in and out of bed. She is an enthusiastic lover who wants nothing more than to be loved, touched, kissed and respected. Her 'O' levels are beyond praise and her general attitude towards our meeting was wonderful.

Next time I will book an 'overnight' because I think waking up with this lady would be a fantastic experience.
