The Story:

I phoned Jan at about 9:30 and wondered if she was available. She said that she was busy from 11:30 but if i could get there it wasn't a problem. So got dressed and raced round!!! She was just as i rememebered her, she let me have a shower first then went into the bedroom for some fun and games. Not gonna say what we got up to but it was great. Then before i knew it, it was 11. As we had rushed a bit, Jan said it was OK if i only paid ?60. Which i thought was fantastic as i would have easily paid top whack for the time spent. This girl is great. I will definately be returning soon!!!
