Behind the Turf Tavern opposite Heaton Park. Seems safe enough. Big place once you're inside with plenty of rooms and a lounge.

The Lady:

See website for picture of Sam. She's 24, slim with perky breasts and fantastic nipples (be careful ? she could have your eye out with one of those!). Great legs. If you went out on a date with her, all heads would turn as you walked into a room. She was wearing a white bra & thong plus, at my request, a minidress.

The Story:

I don't often go to parlours, preferring instead the independent ladies, but decided to treat myself to an impulsive visit. Having seen Samantha's picture on the website, I knew that I wanted to get closer to those nips.

All 3 girls on duty introduced themselves to me, shaking my hand as they did so ? which I found rather charming. Any of them would have been a good choice, but I picked Sam.

Quick shower, then she brought me a drink. We started to kiss ? very nice indeed although I noticed that she didn't use her tongue (although it was OK for me to use mine) then I undressed her and spent some time exploring her body. Those nips became even longer after encouragement from my tongue. She carried out some OWO on me (she doesn't do CIM, which is a shame) and was very good at it ? I had to stop her a couple of times. I went down on her, which she seemed to enjoy. I must have spent more time doing this than I thought, because the knock on the door came (hate that) and we finished off by Sam wanking me onto her breasts.

She's a very nice girl, good chat and sexy with it, although I'd need a longer visit to fully investigate her.

All in all, a very pleasant encounter and next time I'll book her for an hour ? it's only ?20 more, after all.
