The Lady:

Very pretty, early twenties, blonde, nicely made-up, slim, smallish breasts, probably east European in origin.

The Story:

After paying my tenner I knocked over an ashtray balanced precariously on the arm of a chair. None of the half-dozen or so asian or east-european girls said anything, except Veronica who said "Hello, trouble" with a cheeky smile on her face.

That persuaded me to invite her upstairs to a poorly furnished and brightly lit room where she asked me what I wanted. Veronica seemed disappointed that I opted for the full-strip with hand-relief. "Why don't you want to fuck me?", she asked.

Actually I didn't want to fuck her because I only wanted hand-relief, otherwise I would have opted for sex. But, for ?50 plus the ?10 door money, she stripped to her black thong, kissed, did a kind of lap-dance as we both stood together, squatted to gently tease me to stiffness and finally brought me off to a satisfying climax with one hand and a squirt of baby oil as I lay on the massage couch.

Veronica is wasted at a seedy sauna and would probably give a GFE at a private flat. She told me she's at the sauna Tuesdays and Saturdays and said "goodbye trouble" as I left. Nice, genuine girl.
