The Premises:

Recently moved to an extensively refurbished building not far from the original Gallery. Secure parking round the back, and wonderfully fitted out internally. The receptionist took pride in providing the tour of the premises, which is easily the best shag palace I have visited so far.

The Lady:

Russian, strong sexy accent, dark hair and teeth, white skin. Paid the ?80 + ?10 for OWO, but wished I hadn't later.

The Story:

Alex's service was just that, a service, and warrants no further comment. The management of probably the best value parlour in the North, have invested heavily in the new premises, but have also lifted the prices by ?25-30 mins, ?35-60 mins. I hadn't realised they had moved, and as I was already nearby before I rang, decided to give them a try, despite the price hike. Great place, but at these rates, and considering the competition in this part of the Country, the value is poor. Perhaps a rethink on prices is needed
