The Premises:

Discrete entrance up a side alley off Two Mile Hill. Decent reception area and very friendly receptionist. Bedroom small but adequate, though bed very noisy and needs replacing - you can get one for the price of a couple of shags! They keep "office hours" - Mon to Fri 11-5.30 and no weekends.

The Lady:

Very attractive, mid 20's blonde. Tall and statuesque. Can take a good hard fucking.

The Story:

Don't know how previous punters claim to have stayed 30 mins with Amy. There was definately time pressure. On the plus side she's horny, kisses well (extra ?10) talks dirty, has a sexy body, gives very good head and is friendly. On the downside there are too many rules (no tongues, no fingering, can't hold her legs up when fucking in mish, not too many positions etc.)

Very good BJ, fucked her in doggy and mish while she invited me to cum in her. I'd recommend her , but not return. Might see one of the other girls though.
