The Premises:

A basement flat near Anerley Station. The flat is very clean and homely. As it's Christmas the girls have spared no effort in decorating the place throughout. Debbie has loads of singing santas and trees and other Xmas paraphernalia dotted around the place giving the flat a hint of her own insane, playful personality.

The Lady:

Pretty much as per the photo's on the website. She looks about 30 but is really a little bit older than that. I'm sure most people have their favourite bits of Debbs (probably her big boobs), but for me it is her eyes as they sparkle with mischief.

The Story:

This is my second visit to Debbies and it was Debbie I saw the first time as well. Again she took care to get ready for the occasion and then put on a sexy little pvc outfit. She has tons of outfits and Debbs specialises in fantasy role play. Other reports give an idea of how good she is at this and I must try one with her sometime.

Before Debbs was ready I was waiting in the reception (living room) and was treated to chocolates and drink. I have managed to meet several of Debbs girls in this way and they are all lovely. Lee was also the maid tonight as well as working Sundays. Yasmin popped in as she was going home to say goodnight. She is an absolute vision and has a fantastic personality (must see her sometime in the future). You are really made to feel at home in this place and I think it is this friendly atmosphere that sets Debbies way above the competition. I've also seen Arrena and Anna (and Pat) on other days and they are also very nice.

Debbie is such fun to be with and her personality sets the tone for the whole establishment. She starts by undressing you and teasing you whilst slowly undressing herself. She is a great kisser and gives you her full attention throughout. She makes you feel special with everything she does as we roll around the bed with our bodies entwined. But it isn't the sex (good as it is !) that made the whole experience for me it is Debbs personality. It's like shagging a friend without all the unnecessary complications (she's gonna take the piss out of me for saying that !)

Debbie is a real star, she really knows what she's doing, and I'll definitely be back. Thanks for all the chocolate willies you forced me to eat as well. See you soon sexy.
