The Premises:

On the main Wakefield Rd out of Leeds City Centre, near the Royal Armouries. Well signposted and plenty of parking right outside. Well-kept establishment with very nicely decorated rooms with dimmer switches for the lights. Clean and well-maintained shower facilities, although these are 'communal' a bit like sports changing rooms.

The Lady:

What a stunner! Brazilian, tanned naturally and athletically solid. Lovely large breasts which she put to good use. About 5'9" with long brown hair (with coloured highlights). Approx mid to late twenties. Lola is a great conversationalist and is geat fun to be with - we had a laugh!

The Story:

Started with a nice firm massage with plenty of ball-play and then moved onto a 'specialty' blow job. Unfortunately Lola does not accept oral (saying she saves that for at home). Because I'd just been out for a Christmas meal I wasn't really up for an energetic hump, so opted for hand relief over those wonderful breasts. All in all, a marvellous time to get me in the mood for the festive season.
