The Lady:

AWESOME! I have been a committed boob man all my life and I have never seen a lady with such a fabulously gorgeous set. Stunning face, everything else in proportion and all nicely toned. Lovely all over tan but, oh, those breasts....worth the entrance fee alone.

The Story:

After a professionally competent massage, Hayley does a little routine to music as she slips out of her masseuse coat to reveal her fine, fine body. Then she asked me to unclip her bra and out tumbled her assets, what a magic moment! Then it's dreamland time as I got my hands on her tumultous heavenly orbs and began to roll her perfect nipples between thumb and fore finger.

Then she sat between my legs, quickly whipped on the mandatory and then gave me a great bit of head before standing over the massage table and guiding me into her from behind. The view in the adjacent mirror with heavy breasts swinging to and fro in time with the motion was almost enough to make me blow my stack on the spot.

Managed to hold off a little though and Hayley then suggested we should adjourn to the bed. The plan was for her to sit astride but I asked for a slight change to the plan which she apparently doesn't allow for everyone so I won't mention it here for her sakes but suffice to say I thoroughly enjoyed it.

Back to the plot and astride she climbs and the view is etched on my memory.

Hands on those heavenly hooters and away she went. Glorious!

Finally, off with the welly, on with some oil and a boob job to end all boob jobs culminating in a chin

splat for the gorgeous Hayley.

This girl is special, not only is she physically mind blowing but she is friendly, makes you feel at ease and also clearly enjoys her line of of work. A true gem
