The Premises:

My first visit to the Georgian. It is clean, comfortable with good appointed rooms, all have videos, showers & plenty of mirrors. It was very hard to find for a first time visitor at one o'clock in the morning what with Oldham's street name signs in black.

The Lady:

Two girls on offer Sue & Chloe. Sue was your typical bleach blond, hard bodied, silicon titted american porn star type, not for me. Thank god for Chloe she is more like a girl next door type, which is more like it. She was tall, slim, dark skinned in her early twenties with long legs & prefectly small tits, natch ofcourse, she also had long dark hair.

The Story:

Chloe has a good attitude & is friendly & chatty. She is so chatty in fact I had her sitting on the bed in front of me with her legs open & giving me a great hand job whilst she described to me what she had been up to with othr punters that day. I had her lie back legs akimbo & playing/fingering herself whilst I wanked off & sniffed poppers. We went on to some great mish & then some hard & fast doggie, making good use of the many mirrors, I finally came on her tits in the end, she had given me oral previously but unfortunately it was covered. But apart from that she was a great punt. The Georgian is also open to 7am which is a real bonus.
