The Premises:

A clean and very suburban house in the Street Lane area of North Leeds. No problems at all about parking the car and it was all very discreet.

The Lady:

Tricia is a pretty, dark haired lady and a real BBW - she is big, she is beautiful and she's certainly all woman!

The Story:

At last a girl who makes your kleenex redundant. This is a real sizzler experience.

Tricia only accepts one hour or above bookings. But there was no complaint for me as the 60 mins were very well spent. Tricia greets you in full sexy lingerie which is aimed at showing off her big rounded body - great big suckable tits are her main feature along with a wonderful girl-next-door technique. Tricia likes to take things slowly and there's plenty of girlfriend like kissing, cuddling, steamy foreplay and smouldering sex. Tricia is very attentive and keen to please - and she seems like a naturally sexy lady (if the screams of pleasure were anything to go by). In a city of rip off merchants, Tricia's BBW experience is one of the best, most satisfying and memorable - OWO one of the highspots. (But don't ask her for anal - otherwise all options are on)

. I can't wait to get under that lovely big body again.
