The Story:

This was my first visit to Debbie's, my first punt and my first sexual encounter. I did plenty of research before deciding to visit Debbie and I think I made a good decision. She was very sympathetic and helpful. Although I was nervous at first she succeeded in making me feel at ease in this new situation. I had a very enjoyable experience although I had trouble in maintaining an erection and was unable to ejaculate. I intend to return soon and I may try to book a longer session next time.
