### The Premises:

Flat was very pleasant, clean with clean bathroom and bed in safe area. Mouthwash, towels, unscented soap so great.

### The Lady:

Pretty, blonde, 5'6"ish, web site accurate, teeth slightly crooked but very nice all in all. Friendly, good English, very clean, good skin condition.

### The Story:

A very nice experience. I always take third of a 100mg tab of Viagra before a visit as it guarantees hard on ( more than a third I get headache ). Before Viagra I had wilting syndrome when putting on condom. So basically couple of strokes from Eren and I was like a rock. Good owo, I gave her oral which she got wet in but never really got going. Sex in missionary hard, soft, doggy etc, which she seemed to enjoy. No false moans etc.

I usually get a feeling of anti-climax after orgasm which means I don't usually fancy a second round in the hour. Eren gave me a massage, which was v.good. Turned over and she massaged my cock which responded well, owo again, I took over wanking myself while she sucked by balls and perineum ? fantastic, came with a bang.

Chatted for a while ? very nice girl. Excellent attitude and great vfm.

I see she's on some other sites now as well.
