### The Premises:

Karens in Whitefield, on the main road with discreet back entrance.

As ever, clean, tidy, warm. Receptionist is polite and friendly. Ample parking on the surrounding streets, felt safe leaving the car.

### The Lady:

Busty blonde, friendly, talkative, good-looking girl, owner of the place, always makes me feel welcome, but then I have seen her quite a few times, but have never done a FR on her, so this is first.

### The Story:

Waited in the room for a few minutes, after having showered, then Karen came in, dressed in white lacy underwear. We kissed and fondled each other before she stripped off her bra and knickers. She gave me an expert blow-job for a few minutes, before we moved round for a 69, then it was on with the rubber, and we fucked in a number of positions, until I came. We chatted for a while before I dressed and left, as always, satisfied. If you are going for your first ever punt, or indeed want a good time, then Karen is your girl.
