The Premises:

Good safe area between High St Ken and Notting Hill. Close to the tube. Nice clean flat in apartment block above shops.

The Lady:

Pretty blonde very much as in the pictures. Pretty face, a little puppy fat and nice D cup breasts. Cute in a word! Vikky is Russian and is studying here, no problem communicating at all.

The Story:

We started with lots of hugging and snogging and then proceeded to undress each other. After a while this progressed on to O (covered unfortunately) and a 69 (nice semi shaven pussy) which V seemed to enjoy. The sight of those boobs bouncing above my face soon made me cum once we started having sex. After a quick wash and brush-up round 2 started in a similar touchy feely manner. Lots of mutual exploration before I sank Mr Sausage on the top this time. Very deep and passionate lovemaking helped by the fact that V was really getting into it and she was nice and tight. Eventually we came together (definitely not faking it). Overall a nice girl, but she needs to be treated gently, much closer to GFE than a pro experience.
