The Premises:

Sandys, which has been reported on 100's of times, always welcoming, I probably should get round to trying somewhere else for comparison, but then again why take the chance that it won't come up to this standard. Place was very busy when I arrived with 3 other guys waiting but having phoned ahead was pleased that the appointment system worked well, and Morgan bounced into the room right on time.

The Lady:

The website is pretty accurate and in my opinion Morgan is seriously attractive, definitely the type of look that works for me, she has a great toned (and tanned) body, gorgeous eyes and a fantastic manner in the room which lets you know you are in for a good time. Someone else wrote a report which started "every been to a lap dancing bar and fantasized about what could happen next? " well if I was going to start fantasising it would have to be about Morgan.

The Story:

As the saying goes "When she was good, she was very good and when she was bad...well she was awesome!"

Morgan either should be an actress or she genuinely gets enjoyment out of her work, she loves to receive as well as give and I think on this occasion she really enjoyed what she received. I have met a few obvious fakers along the way, but as far as I am concerned Morgan is for real, she inspires you to have such a good time that you want to make sure that she enjoys it too, it makes the experience all the more intense that when you click as we did, both of you get so horny during the session.

Her style is simply excellent, OWO was incredibly good (not every WG can cope with the size of mine) but Morgan was superb and 20 minutes of that would have done me fine, but no, out with the dildo for some toy action with me taking control and giving her clit some serious attention whilst fucking her with the dildo, after she enjoyed a shuddering climax it was onto the floor cushions for some doggie style, back on the bed for some mish with legs akimbo, then Morgan on top both ways before I finally relaxed on the bed as she finished me off with hands and more OWO, taking the

whole load in her mouth, and taking great pains to make sure I appreciated the gesture before discreetly disposing of it into a tissue! I needed a couple of minutes before I recovered my composure (and legs!) so Morgan cleaned me up very caringly which was a nice touch....literally!

The sex is fantastic and so is Morgan's company, next time I see her I will have to book an hour and thats not because it can possibly be any better (well one can try I suppose) but because it will be a pleasure to spend more time with an absolute star like Morgan.
