### The Story:

Met Andrea with my wife. She was prompt and accepted the payment agreed beforehand. Well dressed and as good looking as her photos suggest. Her English is not great as the web site makes clear but she was pleasant and cheerful. Truly bisexual and my wife says her tongue action was good. Needed to be directed and not very proactive. Covered oral and certainly not deep throat. Made all the right noises at the right time and very fair value for money for such a good looking girl in a bi session. City Butterflies tried hard to please and succeeded.
