The Premises:

Hotel near Warren Street tube just north of Euston Road. Beth has been rude about the hotel in a board post. It was the best she could do. It was OK just not up to her standards. Even so it was way better than most parlours and anyway the sex more than made up for any deficiencies in the surroundings.

The Lady:

Beth is a very attractive BBW as I guess is well known by now. Twinkling eyes and a radiant smile and, as she says herself, big boobs, butt and tum for you to come. The 40DDs and soft fair skinned (?5'4"?) body all built for comfort.

The Story:

I wanted to try a "BBW" (not being skinny myself, Tubby is a descriptive moniker) and Beth also advertised the service of videoing the action (bring your own video camera, guys) so when I found out she was touring in London, I was keen to arrange to meet her.

Making the arrangements was a pleasure. Beth is charming and straightforward, doing all that is needed to put a client at his ease. On the day, a nice touch, she was waiting in the hotel lobby to meet me ? maybe it?s for own security as well but I liked to be greeted.

Beth insists on her men showering before anything gets going which I was very happy to do. (She was lusciously clean and fresh herself. The video was set up and left on a tripod so it didn't intrude on our fun and we began. Beth started with luscious full body making good use of her hands and all of her other soft assets. We switched over to me massaging her and moved seamlessly into hornier action. She gives great oral without and gets very wet so there was much mutual pleasuring before she rubbered me up and we got into a number of very satisfying positions some fast and some slow before finishing the first round with some enthusiastic anal which she enjoyed as much as I did.

From then on it was a blur of oral, 69, and a lot of other stuff I remember clearly now because I've seen the movie!!! I don?t need to describe it in detail. I shall just say she has fantastic technique and gives every appearance of enjoying herself greatly. We're not just talking sound effects here, she can't fake getting wet and wild. We giggled together and had a load of fun.

A shower to finish (in a better hotel it would have been a bigger shower that we could have properly shared and I'm sure that would have been a very sensuous finale, but never mind) and with the time well past an hour we chatted over a drink for some time. I was happy to give Beth a lift to the station for her train home. We parted like friends and I look forward to sampling her ample delights on her future London visits
