The Premises:

booked her at the ibis hotel was close to where she was anyway, she arrived on time and looking great. felt very safe and so did she. area was very safe on a busy road but discreet entrance to hotel.

The Lady:

lady is in good shape, curves in the right places looks fantastic and nice face as well, very friendly and down to earth as well.

The Story:

we chatted for a while had a drink got to know each other and then we got down to business after i paid the amount. we undid each others clothes kissed and then straight down to oral which she can do with or without depending on your cleanliness and preference. oral was fantastic best i have ever had nice technique but better that was the sex we had in a missionary position was very good looking at her and she was really enjoying it to bits, a nice lady who enjoys her work and likes to keep a man satisfied..
