### The Story:

Not my first meeting with Rosie so that's a recommendation in itself. Rosie is up and at you from the start. She likes doing a striptease from the outfit you have requested and helping you to get to the same state. It's a full GFE - lots of kissing ,cuddling, oral both ways and sex in various positions. She enjoys coming through oral or riding you on top and then you can relax for a while while she cuddles up in your arms in a most girl friend like way.
