Debbie's Massage as previously described many times in previous reports. Clean, discreet, and felt safe at this time of day. The place has quite a warm and friendly atmosphere, and there's also Pat the EXQUISITE receptionist at Debbies.

The Lady:

English mid 30s brunette with full breasts. For pictures see her website. Wonderful Personality, just meet her for yourselves.

The Story:

I was originally booked in for 2pm but I was running around 10 mins late. There was no waiting but even then I spent around 20 mins or so just talking to Debbs and Pat.

Made a new years resolution to try out all of Debbs role plays this year and having all ready played out the secretary role and the nurse, Debbs suggested that we go for the school girl fantasy this time. Kissing and cuddling first and then on to oral and I knelt between Debbs? who was lying on the bed, spread her legs, Debbs becomes very wet and tasted lovely as I worked away at her before finishing with sex.
