The Story:

One of my best punts. Terri is really sexy girl in her mid-late twenties, sweat and slutty at the same time. she seemed to LOVE sex. Great deep kisses, superb uncovered oral, playing with my balls, looking me in the eyes. She has the nicest totally shaved pussy, nice to lick and play with. fucked her doggystyle...great..she was wild: moaning, screaming, sucking my fingers, touching my balls, pinching my nipples. turned her around fucking her mish looking down at that sexy totally shaved pussy, kissing her, then we took off the condom....her down on knees sucking me frenetically, shut a big load over/in her mouth, half of it dripping down the tits. she seems to love sperm! We had a rest, cuddle, some kissing and then some more licking of her pussy while fingering her ass. after 5 mins she came loudly and then asked me to fuck her in the ass! the anal was maybe the greatest I've had, better than Barbie and Zarisa...first slowly, in the end really hard and deep taking all my 8 inches, impressing! She really seemed to enjoy the anal. Off with the condom and another load in her mouth. Higly recommended.
