The Story:

Julia brought a cup of tea for me and we chatted while I finished it. She is a very charming and attractive young lady and made me feel very much at ease.

I was given a talc massage by an expert which relaxed me completely and turned over for a kissing session at which point she thought it was time for more interesting things. She put on a chocolate flavoured condom apologising for having a sore throat so OWO was out. In the circumstances, the oral was brilliant and we turned side by side for a version of 69.

She has sensitive nipples and loved having them caressed. After more reverse oral, she changed the condom as the flavour had gone and mounted me cowboy, reverse cowboy and remarked that there was a lot of wetness about.

We then went into mish which was at fever-pitch and I had to cry off though I believe from the noise, she orgasmed.

Finally finished with my tongue inside her dripping pussy and her oily hand producing the finale. She only works on Wednesday and is a star. Take care of her, everybody and I hope to see her again as soon as I can.
