The Premises:

Spur of the moment punt this-phoned up to see who was working and the gent came out with six names-two very familiar to me. What a dilemma. Mel my favourite from here , And her friend Miranda whom I have been fortunate to have "enjoyed" a couple of times.

I knew by the time I got to the Capitol I would not have sufficient time to see them separately.

Commented to the gent, he said "well,why not both?" With pounding heart I think I just said "ok-8.30-that was me committed.

Mel, the little minx, had suggested this ages ago-never had the courage to try it.

Having not been in for some time I was impressed by the recent refurbishment.

Ian certainly splashed out-new blue carpet and the new coffee machine now has cappuccino! The ladies(as always) pleasing to the eye.

The Lady:

Had I not known both ladies I would not have considered it. Mel,a beautiful 23 year old flower of Scotland-5'2 natural blonde 34E, also natural, very enthusiastic at BJ would not be the first time I have CIM, having a fondness for 69.

Miranda-similar hight, a native of Africa. 34DD very responsive nipples surrounded by large areola-one can't help licking your lips at the sight of her long labia lips.

The Story:

The fun in the room exceeds my literate ability. One moment that sticks in my mind was giving Mel oral and massaging her breasts whilst Miranda rode me reverse cowgirl.

Three in the corner bath at the end of the session was fun. A wonderful experience that I commend these ladies for providing. I know know that I prefer one to one but prior to this appointment I could not have made that comparison. Great fun all the same-45 minutes passed all too quickly.

Thoroughly recommended if you have wondered what 3 in a bed would be like to try.
