The Lady:

Described before lovely smile on top of a seriously fantastic body curves where they should be and nipples like pencil erasers.

The Story:

was met at the door with a big hug and a glass of wine, had a pleasant chat then a quick freshen up. She asked if would mind a massage as it got her going- bummer huh!

the massage lasted about 5 minutes before the tongue was going everywhere and I was receiving the mother of all bj's. It was a genuine toe curler and took about 5 minutes to get blood back to the brain on conclusion.

from a charming lady to one passionate raunchy girl in about 15 minutes yipee. A couple of energetic riding sessions ensued until I couldn't walk or talk.

To top it all off came down to the bar, and bought me a beer! So you get a GFE with a healthy dose of raunch- look forward to round 2
