The Premises:

Sandys in Prestwich well known and very discreet. In between a Chippie and newsagents.

The Lady:

Slender, attractive 30-something brunette. Very friendly and puts you at ease. Not too sure about the 36C measurements given on the website.

The Story:

This girl has a tongue like an electric eel. It goes everywhere, all around my arse and balls. Had me horny in no time at all. Patrice gives an excellent sensual massage with kissing and licking from head to toe. Paid the usual extra tenner for OWO. She has an outstanding oral technique and seems to enjoy being watched whilst her mouth is full. Moved on to 69 which in the end turned out being her sitting on my face and really going for it, which was nice. Did some cowgirl before finishing off in mish.

Chatted for a while afterward and there was no rush to get me out. I would definitely recommend her and I shall be visiting again. It's a shame there are so many other girls to try and Sandy's.
