The Story:

Becoming a regular at these do's - normally go to Oxford but as there are 2 new girls on the website decided to pop up to London this time.

Nice house deep in Suburbia - directions easy to find.

Natasha and Amy(both of whom I've seen before) and new girls Anne and Georgia - it was really Georgia I'd come to see as her pictures looked really nice but in the flesh she was gorgeous - a really curvy black girl with a figure to die for.

Once we all changed I made sure to pair off with her and upstairs for a lovely blowjob - we soon rolled over into a deliciously wet 69 - her pussy really tasted beautiful.

Normally the first round is over fairly quickly for me but made this one last with sex in various positions and finished off cumming doggy - fabulous.

We lay recovering and chatting until someone else needed the bed - chilled out downstairs for a while then wandered upstairs and came across Anne with another guest who proceeded to wank me off over her tits(Anne that is - not the other guest).

Had some food and a chat - a really like the atmosphere of these events -there is no need to clock watch - spotted Georgia was free again - another wonderful round that she really seemed to enjoy as well which for me is really important - couldn't quite finish but we kept going for some time.

The shagging Chef couldn't make it this time so Willie gamely volunteered to cook the steak sandwiches - concerned faces all round but he came up trumps - they really were excellent - we got into a discussion of the relative merits of buffets at various parties - much to the amusement of some of the newer guests.

Thus replenished and Anne dragged me off for some "cuddly fun" as she put it - turned into another marathon full on shag - That woman can go - and is also great fun to be with.

Time was ticking on but had just had to see Georgia again - flagging a bit so lots of licking and sucking from both of us and finished off by hand over her lovely tits.

She really is a treasure - roll on the next do!
