The Story:

Laras do's and don'ts are listed on her web page so what I describe is within those limits. Lovely, GFE experience and enthusiastic kisser. She started with a slow sensual massage and delicious lingering OWO. Then I returned the compliment, which she thoroughly enjoyed (she will never ask you to stop!). I must say she has the neatest, prettiest and freshest and most delicious (partially shaven) little pussy I have ever tasted.

We then finished off with her on top and then some doggy (her and my favourite). Must admit to being ready to blow at this point, so didn't last long and was a bit noisy. A bit of post coital conversation and a freshen up before I was going down for some more of her. Yummy!! Unfortunately the 3 hours was up too soon so will go for longer next time. One of the best.
